## SPONSORSHIP OPPORTUNITY

Your support furthers Trinity Community Center's mission to empower the youth of Hollygrove and New Orleans. Make a lasting impact on the future of our city by attending the 55th Anniversary Celebration for Trinity Community Center.

### ABOUT TRINITY COMMUNITY CENTER

Trinity Community Center (TCC) was founded by Rev. William Brown in 1967 in New Orleans and is now the Hollygrove neighborhood's premier institution for transforming youth through educational and spiritual development. TCC's after-school programs, summer camps, internships, mentorships, and guidance on higher education are some of the ways it provides at-risk youth the tools to succeed and the capacity to become the next generation of leaders.

### IMPACT ON THE COMMUNITY

TCC serves an underresourced neighborhood where 35% have no high school diploma and only 12% have a college degree. Its programs and innovative learning environments like the Makerspace are designed to address the holistic development needs of students and provide support from kindergarten through college graduation. Through faith and a commitment to action, TCC touches more than 120 unique and deserving children every year, nurturing their potential and inspiring a bright future.

TCC exists through generous donations from the community it serves and its partners across the New Orleans metro area. TCC's donors believe in the youth of Hollygrove and will make a direct impact in shaping the leaders of tomorrow.
